N.C. WESLEYAN COLLEGE
ROCKY MOUNT, NORTH CAROLINA

"The Way We Were"
(From the Columbia Picture, Rastar Production
entitled "The Way We Were")
Music by Marvin Hamlisch
Lyric by Alan and Marilyn Bergman

Memories light the corners of my mind
Misty water colored memories of the way we were

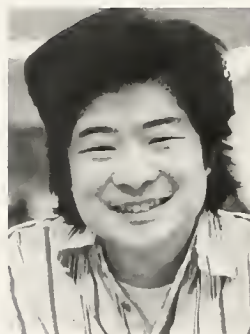

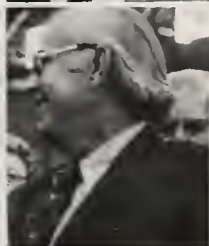

North Carolina Wesleyan College Library
Rocky Mount, North Carolina 27801

57225.

Scattered pictures of the smiles we left behind
Smiles we gave to one another of the way we were

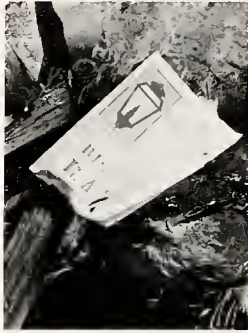

Can it be that it was all so simple then
Or has time re-written every line

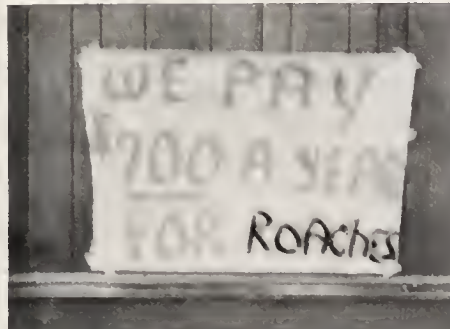

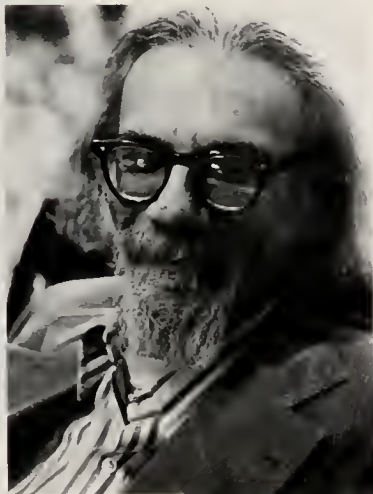

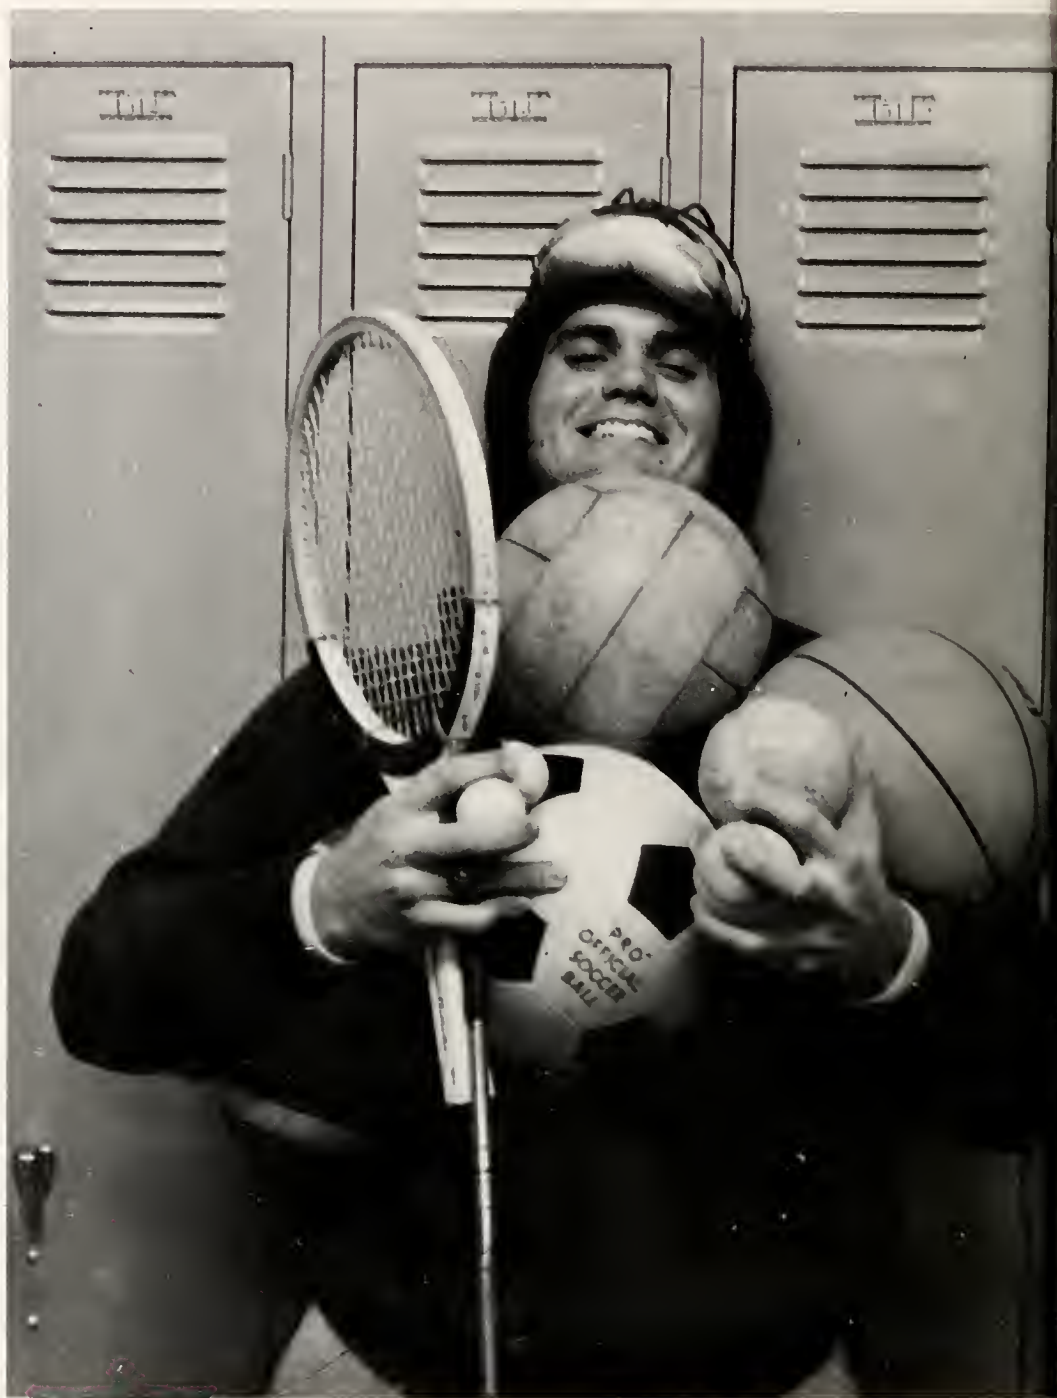

And if we had the chance to do it all again
Tell me would we, could we

Memories may be beautiful and yet
What's too painful to remember we
simply choose to forget

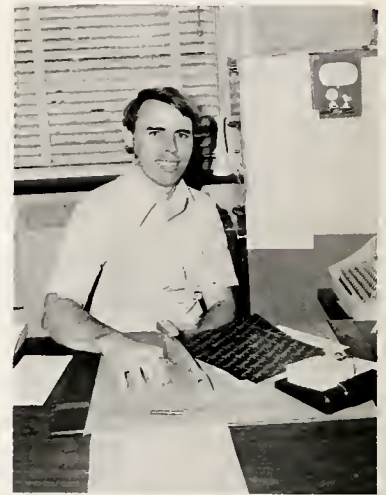

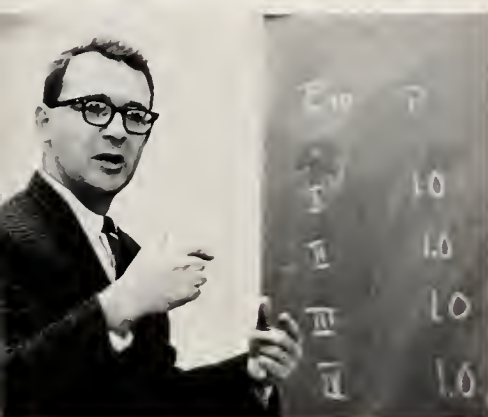

So it's the laughter we will remember

Whenever we remember
the way we were

DEDICATED TO SANDY SAUNDERS
1954-1977

. . . so it's the laughter we will remember . . .

what? Friendship never ages." Auden

President Billy Medlin

INTERFAITH

We love because he first loved us . . .

Interfaith is the coming together of Christians, to laugh, to cry, to play, to sing, and dance and celebrate that we are children of God. This year we have had opportunities to fellowship and worship in songs led by Haywood Smith. Bible study and daily devotions were led by members of our fellowship.

COMPASS CLUB

The Compass Club at Wesleyan is an organization under the jurisdiction of the Pilot Club of Rocky Mount with its purpose being to serve the Wesleyan community. We have only recently reorganized but we have high aims for ourselves and our school. We are interested in Wesleyan and we want to help make it work.

Taking Wesleyan across the barrier of the serpentine wall into the town.

CHESS CLUB

This year the Chess Club played several schools in competition, among them was the University of North Carolina. The club consisted of mainly beginner players, a few intermediate players and several players with more skill.

Officers of the Chess Club: Eddie Cashwell, Mary Hathaway, Hitoshi Hoshi, and Gary Jenkins (President)

CHI BETA PHI

Chi Beta Phi is Wesleyan's only honor science fraternity. It has never been a large group, but this year it was smaller than usual. The main event of the year for the club was a very successful bottle drive.

Members of Chi Beta Phi are Rebecca Walker, Ellis Price, and Sally Smith.

THE DISSENTER

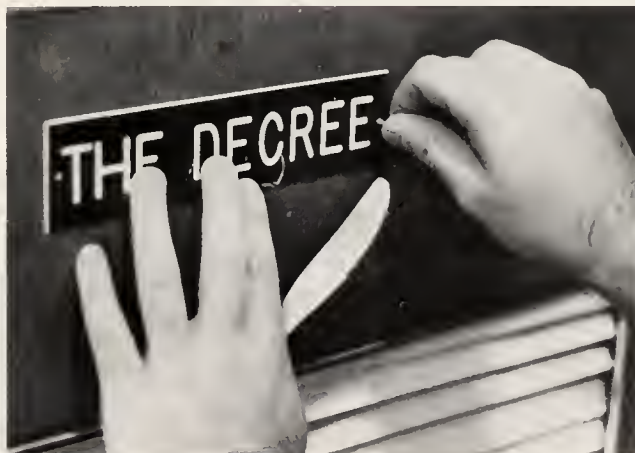

Dissenter staff: Rebecca Walker, Vicki Brickhouse, Ellie Maynard (Editor), Betz Ricks, and Sally Smith.

The Dissenter got off to a very rocky start this year with people quitting after doing half their jobs, nobody doing any of their work the right way, and nobody really knowing what they were doing. With the help and great understanding of our company representative, Joe Allegood, the yearbook finally got underway. A lot of credit also goes to our good old standby, Dean Horne, who took a ton of griping from all of us and did a lot of the dirty work for us.

THE DECREE

The Decree was headed by a small staff this year that worked very hard at getting out the papers we all enjoyed reading over lunch. Advisor, Mr. Paul deGategno worked with the staff in meeting deadlines and putting articles of all viewpoints in the paper.

The Decree staff: Greg Allen (Editor), Jan Wilson, Mike Haskins, Mike Collis, and Mr. Paul deGategno.

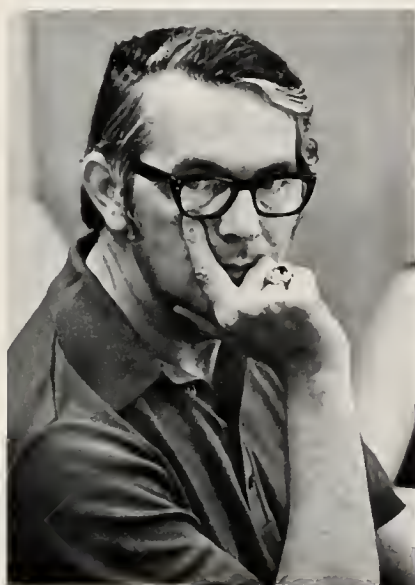

ASPECTS

"Aspects" is a magazine of poetry, prose, and visual arts dedicated to the task of stimulating creative activity on the part of local and student writers and artists.

Staff: Terry Harrell, Laurie Forsythe, Lucille Browning, and Karen Leonard

NU GAMMA PHI

Becoming a Chi took a long time and I am proud of it.

Being a Chi is knowing you are somebody successful.

Becoming a Chi was a long hard road and I'm proud to be one.

Being a member of Chi has given me a chance to experience life in the best way. We're a closely knit bunch of guys who stand together and win together. It was the hardest thing I've ever done before but it has been and always will be the best fraternity around!

Chi is a fraternity of brotherhood and trust and a fraternity to be proud of.

Alpha Delta Chi — a natural high

We are a Brotherhood of men who can party better than anybody.

PI EPSILON

The Sisters: Sandy Harden, JoAnn Batchelor, Pat Cook (Pres.), Lorraine Hooper Cyndi Powers, Mona Wheelock, DeAnne Morgan, Kyle Baldwin, Ellen Hessey, Betz Ricks.

We know how to party and have a good time, but we can get together and work.

Pi Epsilon is definitely the best thing that has ever happened to me in my college career. It can be the best thing that can happen to you.

Pat — "Boogie"

Lorraine — "Hoop"

Betz — "Mountain Dew"

DeAnne — "The Fox"

Cyndi — "Grinch"

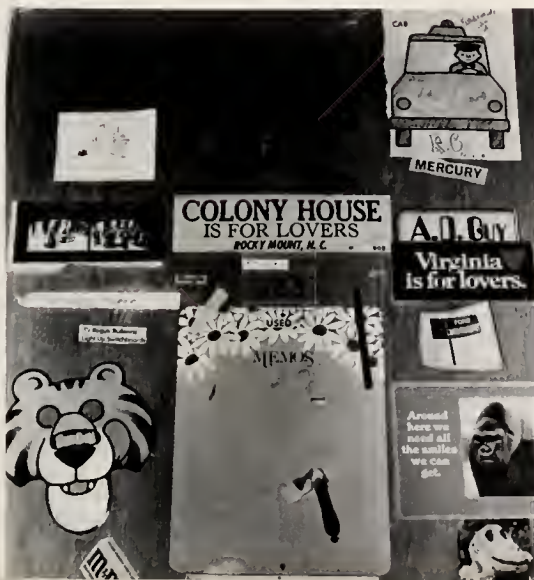

JoAnn — "Batch"

Kyle — "Little One"

Mona — "Mrs. Sparks"

Ellen — "Dizzy"

Sandy — "The Lady"

SIGMA PHI DELTA

Sisters: Eleanor Perry, Ellie Maynard, Patty Irwin, Gail DeLoach, Sheila Foster, Denise Castillo, Carol Meads, Faye Pridgen, Jackie Clark, Sheila Whitehurst, Jackie Burgess, Bonnie Brandt, Val Holland, Madeline Alston, Nancy Wright, David Ross (Sweetheart), Nona Cook, Gail Hargett, Rita Stallings, Alice Bartley, Carleen Goodwin, Lori Krizowsky, Tommie Nott, Lona Saunders, Daphne Branch.

If Sigma Phi Delta fails, a whole way of life at Wesleyan fails.

Listen to the tide turning. We are all happy, laughing, and gay. We are all a part of the fire that is burning, and from the ashes we will build another day. I'm going to sing Sigma Phi Delta. And sing it all day long. A sorority that will never end. How can I tell you all the things inside our heads. I've been thinking about our fortune. And I've decided we are all to blame. For the love that's deep inside us now — Is all the same.

Sigma Phi Delta is a sorority that lets each sister be herself, but when we are needed, we form a unity that can get the impossible done and above all, we are the only sorority that knows how to PARTY!

"Where's your penny?"

"Faster, the match is burning"

"Pledges!!!"

S.P.D.!!!

Whenever at Wesleyan you hear a greek sorority mentioned, it is always Sigma Phi Delta.

Sigma Phi Delta is the most exciting, joyful and unforgettable experience a person can have.

Oh I wish I were a Sigma Phi Delta sister
That is what I'd truly like to be
For if I were a Sigma Phi Delta sister
Everyone would be in love with me!

HAPPENINGS AROUND AND ABOUT WESLEYAN

Music fills the gym with the concert band, jazz band, and choir . . .

. . . the plays attract thousands . . .

. . . dances galore last until all hours of the morning . . .

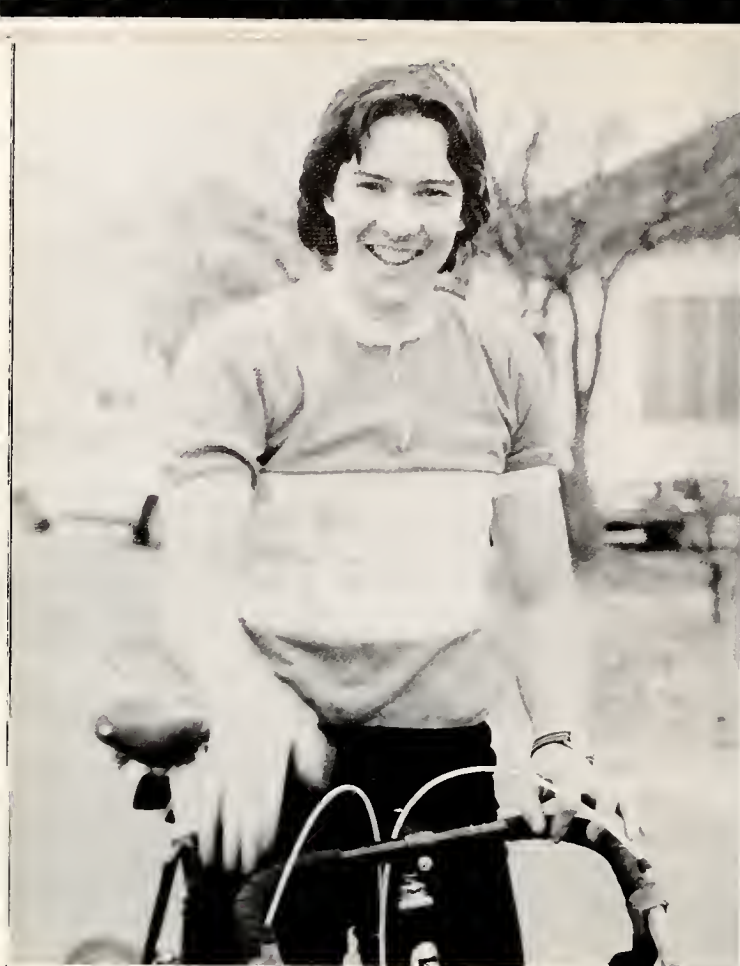

. . . convocations keep us all alert, Dana Wade receives President's Cup, Mrs. Harrison gets Professor of the Year Award, and Dr. Finney smashes toy cars . . .

. . . the water is found on a rare day without soap bubbles, Paul is found not leaning over the table, and the staff is found not in the t.v. room . . .

. . . Wednesday bike races are the main attraction . . .

. . . everybody runs to the tennis courts to see Marc "sitting this match out", Pott's knee working, and Longdog trying to beat anybody on the team . . .

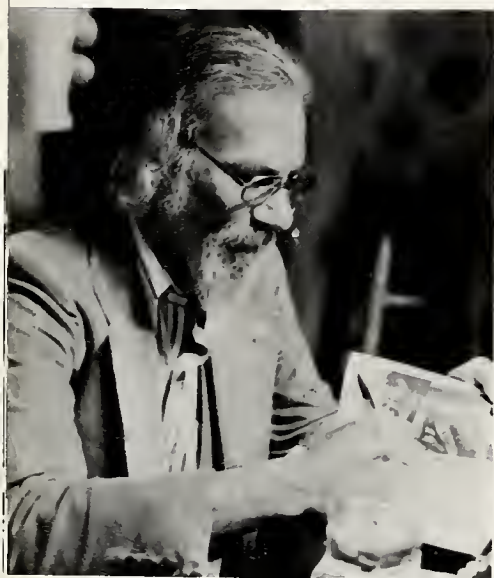

. . . Rush and Pledging begins and the Sororities and Fraternities go all out to attract new members . . .

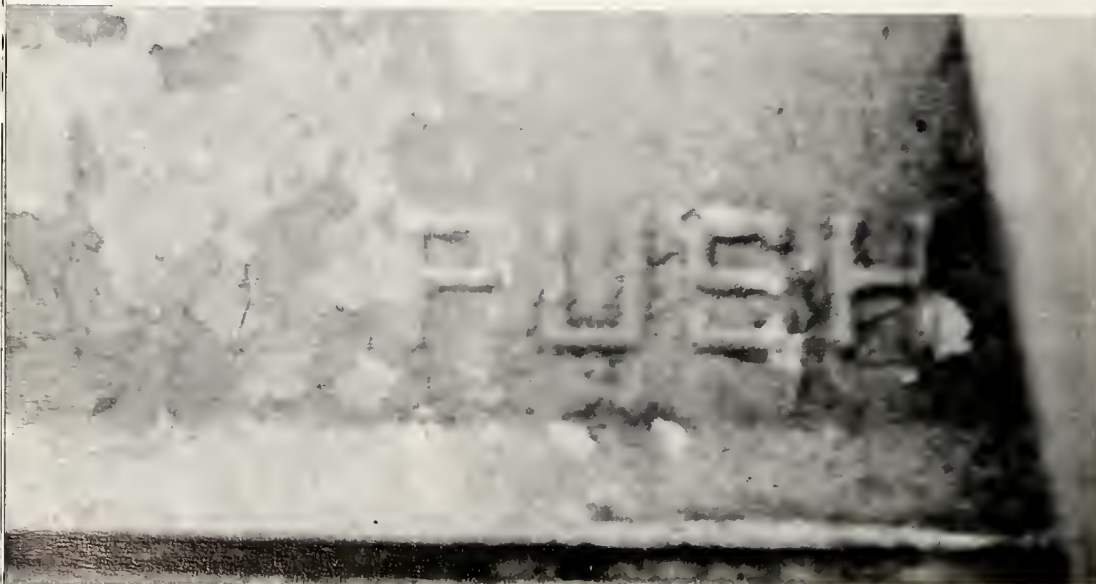

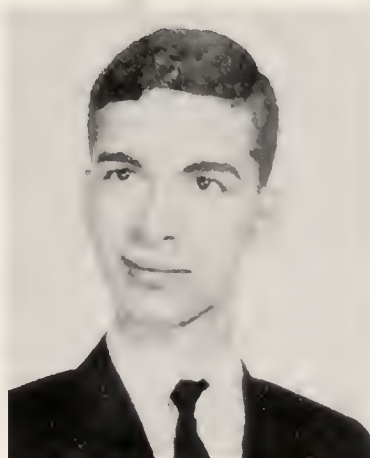

... while the pledges go all out to prove who is best
and after four years Kurt finally gets his picture in the
yearbook as an official G.D.I. . . .

. . . the campus is censored, Playboy is removed from the library,
and Penthouse is alive and well in the bookstore . . .

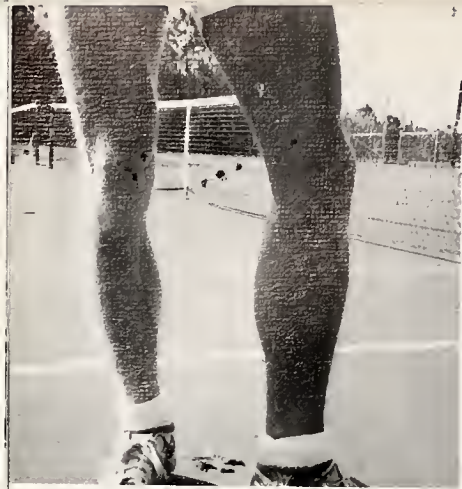

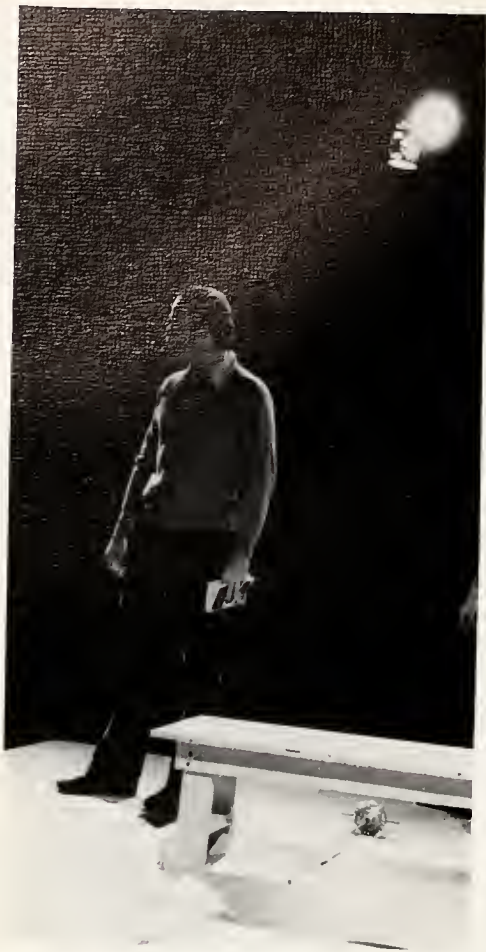

. . . Jack doesn't believe me when I
say I can put his picture in . . .

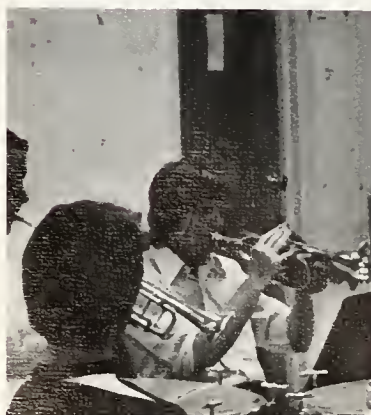

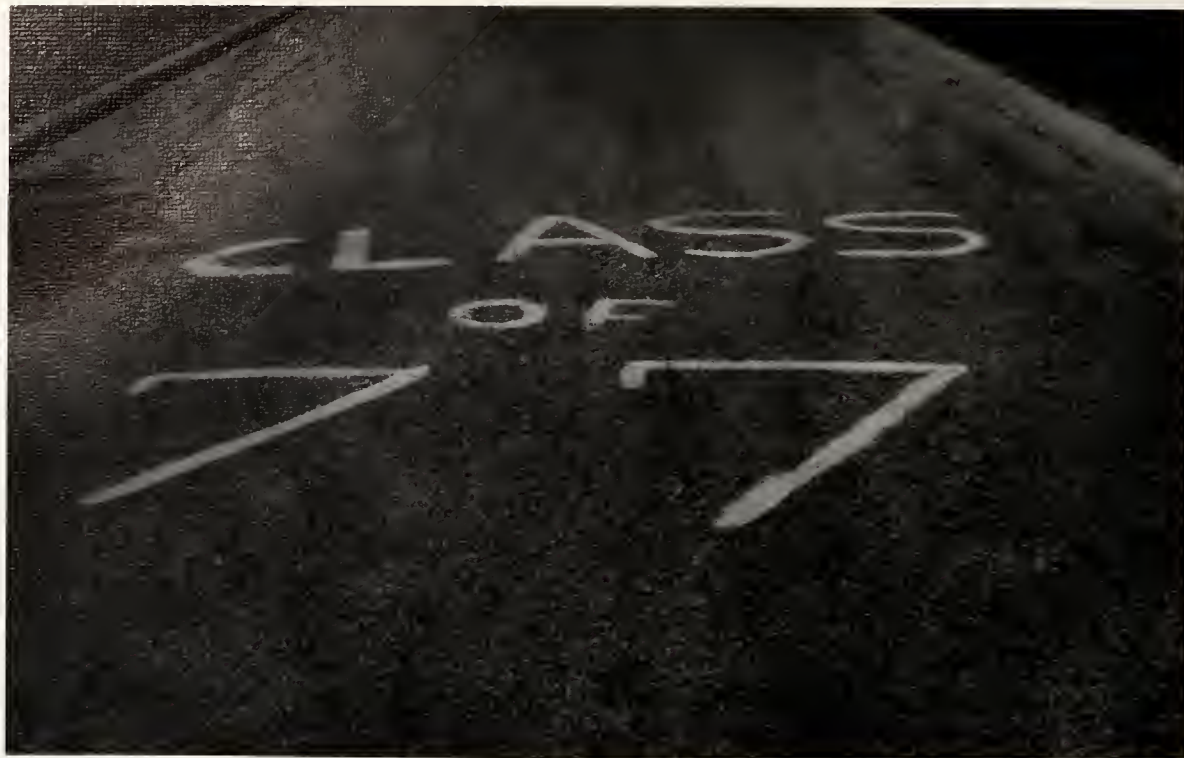

. . . and Tobinski still doesn't know when
the baby is coming!

YOU PUT US ON THE MAP.

When we opened our first Hardee's, we opened them right here in the Carolinas. And today, with more than 900 restaurants across the United States and two foreign countries, our home is still the Carolinas.

Which is why, no matter how big we get tomorrow, we'll always remember all of you who helped get us off the ground yesterday.

So next time you say hello to our delicious charbroiled burgers, golden french fries and all the other good things on our nationally famous menu, give yourself a well-deserved pat on the back. After all, it was you who put us on the map.

And we'll never forget it.

We were all ready to put out a terrific yearbook until people began to be too busy to do this and that and others quit on us. Then deadlines came and went and we had zero to show. We had 75 pages of current pictures to fill up 144 pages. Thus, the theme The Way We Were - because we had tons of old pictures. The staff(?) would like to thank Joe Allegood for overlooking our dumb excuses for not having the work done, and Dean Horne who is a real sweetheart.

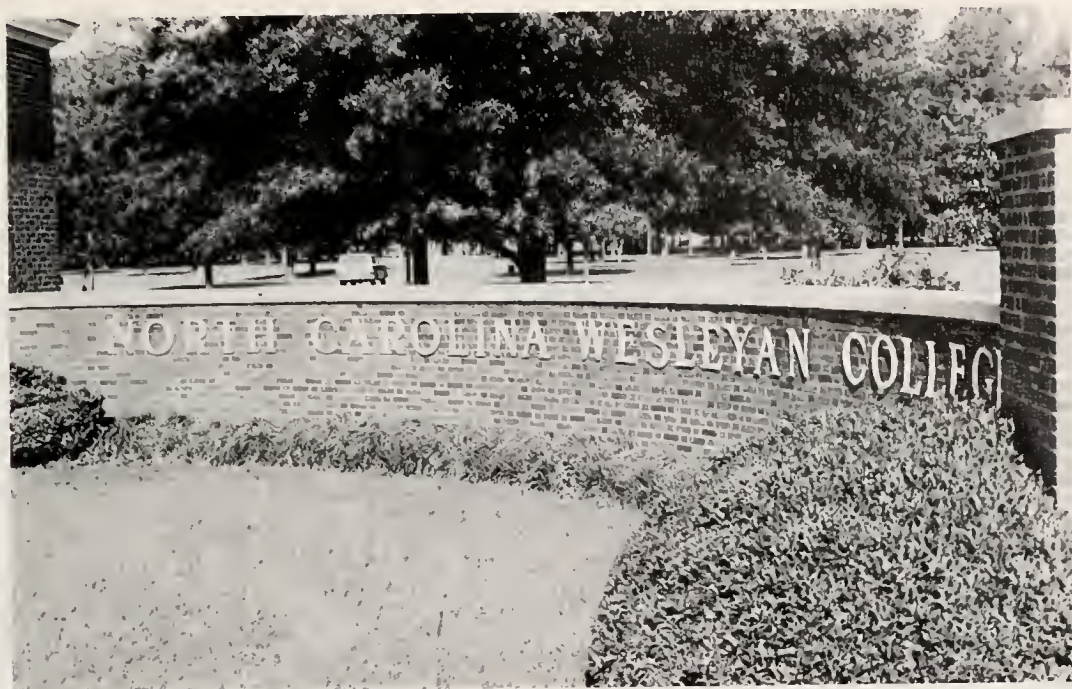

A majority of this book was done during summer school with me going half-crazy. So I'd like to thank some people for keeping me sane enough to finish it: Sukiya ki Toyato (who lost his lovely lady but still has us), Ed, Axel, Jan ("J"), Chip + Sue, Tom, + Rick who puts on a great party. One last thanks to Gary who kept pushing me all the way and threatened me with divorce if I do this again next year.

This is the yearbook and all I can say is take it or leave it. Bottoms up, Class of '77!
